Discussion on the proposal received from assessor for \$3,500 to update flat valued properties and a proposal for \$2,706.55 for the board to consider contracting with the Iron County Equalization Department for assessing services provided by the equalization department. Motion was made by Amber Laturi to keep the price we are paying to the assessor to the \$30,000 per year that we accepted when the new assessor was hired. The previous assessor was paid \$28,000 so we are already paying an increase in assessor cost, and we are also incurring an additional cost of \$2,295 by placing the assessor on payroll. The motion was also to not contract with the equalization department for the additional assessing services. Motion was supported by Mike Sheehy. Roll call taken.
